

NADIA DEIS

ORGANISATORISK NÆSTFORMAND

From November 2015 I have had the honor of being your vice president. I would like to continue in this position, creating continuity-

In the year to come we as an organization must, as a minimum, to consolidate our current level – A work where we must support our local level. I fully support the working program 2017.

I will continue to work on our TIPS application and dispensation, and the grouping of EUD in DUF – and be the contact person for the European Movement's secretariat.

I will also, in collaboration with our secretary general, make EUD ready for the new person data regulation in 2018.

Jeg vil sikre viden ikke bliver tabt, ved at være den eneste kandidat som fortsætter
